

Wichita State University, Department of Mathematics

Math 243 (Spring 1998)

Calculus II

Class Schedule: 11:30am-12:20noon, 336 JB, daily.
Instructor: Dr. Zhiren Jin.
Office: 309 JB. Phone: 978-3931.
Office Hours: 12:30pm-1:30pm, Daily or by appointment.

Textbook: "Calculus" by Howard Anton, 5th edition, John Wiley & Sons, Inc.

Homework:

Homework assignment is given at the beginning of the semester. Please follow the schedule on the assignment sheet for the problems assigned in each section. No Homework will be collected. On each Monday, a ten minutes quiz will be given. The problems in the quiz will be selected from the homework assignment. No make-up quizzes will be given. But two of your lowest quiz score will be dropped when I calculate your course grade.

Examinations:

All examinations are closed book. No graphic calculators are allowed in any exam unless otherwise stated. Here is the tentative schedule for the exams:

- X 1st Test: Monday, 2/9/98, it covers Chapters 7 and 8.
- X 2nd Test: Monday, 3/2/98, it covers Chapters 9 and 10.
- X 3rd Test: Wednesday, 4/8/98, it covers Chapter 11.
- The final: Friday, 5/15/98, it covers Chapters 12 and 13.

Grading System:

Quizzes	100 (10x10)	A: 450 - 500
1st test	100	B: 375 449
2nd test	100	C: 300 374
3rd test	100	D: 290 299
Final	100	F: under 289

Syllabus:

We will cover Chapters 7 to 13. You are expected to do all homework assignments, read and understand class notes. Seek help if you have any difficulty with the course. Besides getting help from me, another good resource for help is the Math Lab which is located in 371 JB and opens five days a week.
